Join family & friends to celebrate Pat's life and to raise money for her cancer treatment and living expenses.

CHILDREN'S GAMES & ACTIVITIES! BRING THE WHOLE FAMILY!

Pat Massart was diagnosed in mid February 2007 with terminal stage IV pancreatic cancer that has spread to her liver. Pat is undergoing chemotherapy to improve her quality of life and to give her more time with her family and friends. Pat's goal is to be here to see her seventh grandchild who will be born at the end of August and to be well enough to enjoy that special time.

Pat and her husband, Bob have owned and operated Massart Auctioneers for the past 35 years in Green Bay. As self-employed small business owners their health insurance benefits are very limited. The money raised will help cover Pat's cancer treatment costs and living expenses during this difficult time. This benefit will allow her to enjoy the rest of her life without worry of undue financial burden on her family.
