

# Pat Massart Benefit

Sunday, May 20<sup>th</sup>

1:00 pm to 5:00 pm

Riverside Ballroom

1560 Main St. ♦ Green Bay, WI

To Whom It May Concern:

Pat Massart was diagnosed in mid February 2007 with terminal stage IV pancreatic cancer that has spread to her liver. Pat is undergoing chemotherapy to improve her quality of life and to give her more time with her family and friends.

Pat and her husband, Bob have owned and operated Massart Auctioneers for the past 35 years in Green Bay. As self-employed small business owners their health insurance benefits are very limited. The money raised will help cover Pat’s cancer treatment costs and living expenses during this difficult time. This benefit will allow her to enjoy the rest of her life without worry of undue financial burden on her family.

We are asking for the support of local business owners, like you, to help this local small business owner by donating the following:
